

## PECB Certified ISO 21001 Foundation

Become acquainted with the best practices of Educational Organizations Management System (EOMS) based on ISO 21001.

### Why should you attend?

The ISO 21001 Foundation training enables you to learn the basic elements to implement and manage an Educational Organizations Management System (EOMS) as specified by ISO 21001. During this training course, you will be able to understand the different modules of an EOMS, including EOMS policy, procedures, performance evaluation, management commitment, internal audit, management review and continual improvement.

After completing this course, you can sit for the exam and apply for a “PECB Certified ISO 21001 Foundation” credential. A PECB Foundation Certificate shows that you have understood the fundamental methodologies, requirements, framework and management approach.
